1. The examination is held annually at the Civil Engineering College, Sibpur, on the 1st Monday in July. The examination will be conducted either at the College, or by an Examiner, Public Works Accounts (including Railway and Telegraph), in Bengal, Assam, and Burma only). The examination will be *ipso facto* vitiated, if it be not held (begun and completed) on the dates fixed; but the officer who will conduct the examination may make his own arrangements in regard to the place and hour of examination with the candidates.

Candidates will not be examined in any of the Calcutta offices.

A candidate already in permanent Government employ* may be allowed to compete in the examination, even if he is more than 25 years of age, and may be appointed to an accountantship if he passes it; but if he is not already in pensionable service, he will be eligible only for appointment to the non-pensionable establishment on State Railways.

* This term includes employment under Local Boards and foreign bodies, if such is pensionable by the British Government.

2. The candidate should apply to an Examiner of Public Works Accounts, not later than 30 days previous to the date fixed for the examination, and obtain his consent to conduct the examination, if examination at the College is not convenient. The application must bear the address of the candidate, must be accompanied by a fee of Rs. 10 and the following certificates, and must be forwarded by him, not direct to the Principal, but through the Examiner.

Certificates may be submitted in original, or true copies attested by an officer of the Engineer or Accounts Branch, but none will be returned:—

(1) Certificate of good character signed by applicant's immediate official superior, or by the instructor under whom he has been educated, or by some other superior under whom he may have been brought up or employed, or to whom he may be well known. (This certificate must have special reference to the two years immediately preceding the application).

(2) Certificate of age (baptismal or of birth), not required, if the candidate is already in permanent Government employ.

(3) Certificate that the application is in the candidate's hand-writing.

NOTE.—A candidate already in Government service should, in like manner, submit his application, through his immediate official superior, to an Examiner of Accounts qualified to hold the particular examination, and should state whether he desires to be examined at the office of the Examiner of Accounts concerned or at the College.

It will rest with the Examiner of Accounts, to whom the candidate submits his application, to decide, on a consideration of the certificates submitted, whether the candidate should be allowed to appear for the examination or whether his application should be rejected. The Examiner of Accounts will then forward to the Principal, for registration, the names of the accepted candidates. The names of these candidates should be entered in a statement showing their ages and their addresses, and also showing where each candidate is to be examined, whether at the College or at the office of the Examiner of Accounts.

This statement, together with the fees, should be transmitted to the Principal not later than 15 days after the dates fixed in paragraph 2 for the submission of applications of candidates.

3. Examination papers that are issued for examination need not be returned.

4. Each examination is complete in itself. A candidate who has failed in an examination, and presents himself for examination on a subsequent occasion, must undergo the full examination and furnish fresh fee and certificates.

5. If from any cause a candidate fails to appear for the examination, the fee paid will not be refunded.

6. Passed candidate should apply, not to the Principal of the College, nor to the Accountant-General, Public Works Department, but direct to the Examiner of Public Works Accounts in the province or railway under whom they may desire to be employed.

7. It must be distinctly understood that the passing of this examination does not give any claim to an appointment, and that in making appointments, preference will be given to qualified persons who are already employed in the Department.

8. The Civil Engineering College acts solely as an examining body in reference to admission to the 4th grade of Accountants, Public Works Department.

9. Candidates for the 4th grade Accountantship examination, who are not Government servants and over 25 years of age, are allowed to appear at the examination, at the Sibpur College centre only, but, even if successful, they are debarred from employment in the service of Government, and their names will be excluded from the list of passed candidates which is furnished to the Accountant-General, Public Works Department.

10. Candidates over 25 years of age should apply in writing to the Principal of the Civil Engineering College, not later than 30 days previous to the examination; the application to be accompanied by the fee of Rupees ten.

Arrest.

The exercise by the Railway Police of the power of arrest without warrant, given them in section 131 of the Indian Railways Act (IX of 1890) for offences under section 101 of the same Act, is discretionary. It should be exercised only in extreme cases, as for instance when—

- (c) the accused is likely to abscond or to continue to endanger the safety of the public.

When arrest is made without warrant, immediate intimation of such arrest must be given to the head of the railway employé's department.

2. Under ordinary circumstances, no immediate arrest is necessary. A warrant should be applied for in the usual manner, the police maintaining a watch over the movements of the accused, where this precaution is deemed necessary.

The officer entrusted with the execution of the warrant will execute it judiciously, and if the arrest is likely to cause risk or inconvenience to the public, make arrangements to prevent the escape of the accused and apply to the head of his department to have him relieved, arrest being deferred till he is so relieved.

Prosecution.

4. CALCUTTA ;

The 13th June 1904.

A. PEDLER,

Director of Public Instruction, Bengal.

CIVIL ENGINEERING COLLEGE, SIBPUR.

AGRICULTURAL DEPARTMENT.

HIGHER AGRICULTURAL CLASS.

SESSION 1904-1905.

Rules for Admission.

For admission to the Higher Agricultural Class, an applicant must have one of the following qualifications:—

- (i) He must have passed the F.E. examination of the Calcutta University, and be under 23 years of age, but no student will be allowed to join the Agricultural class after the expiration of five years from admission into the Engineering College.
- (ii) He must have passed the B.A. examination of the Calcutta University by the B course, or possess other sufficient educational qualifications; be under 23 years of age, and, in addition, have received a nomination from the Bengal Government.
- (iii) He must have had a general education qualifying him to follow the instruction in the Higher Agricultural Class, and must also receive a nomination from Government for admission as a special student. To be eligible for a nomination under this rule, a candidate must either have landed property of his own, or be recommended by some influential landholder who desires to train him to take part in the management of his estate, or he must otherwise satisfy Government that he intends to make practical use of his agricultural training. Students entering under this rule will be termed Special Agricultural Students. They will not be subject to any maximum limit of age, but will not be entitled to the privileges conferred on passed students under rules 12 and 13, even though they should obtain fully-signed diplomas in due course after passing the necessary examinations.

Every candidate for admission to this Department must apply in writing to the Principal not later than the 14th July. The form of application for a nomination, which must be addressed to the Principal, is given in Appendix B. In the event of the form not being properly filled up and accompanied by the necessary certificates, no notice will be taken of the application.

The number to be nominated each year will depend on the accommodation available.

Every applicant, not already a student of the College, must undergo a medical examination by the College Surgeon before admission to this Department. If this officer's report is unsatisfactory, the applicant will not be admitted.

The session begins on the first Monday in November. All students are required to join the College on that day. Any student prevented by sickness from attending on the opening day must produce a certificate to that effect from a Civil or Assistant Surgeon, failing which he will be liable to a fine not exceeding Rs. 10. No student will be admitted or re-admitted to the College after the month of November, except by special orders of the Director of Public Instruction. This permission will only be given under exceptional circumstances.

COURSE OF INSTRUCTION.

The course of instruction in the Higher Agricultural Class will extend over two academic years.

SCHOLARSHIPS.

Senior scholarships awarded in the Engineer Department are tenable in the Agricultural Department.

One graduate scholarship of Rs. 30 a month, tenable for one year, will be awarded on the result of the examination held at the end of the first academic year.

APPOINTMENTS.

Two appointments annually are assigned to students holding a fully-signed diploma: one in the Provincial Executive Service and one in the Subordinate Executive Service. The right of selection for these appointments will rest with Government, and the students who gained the highest marks at the examination for diplomas will not necessarily be selected.

Other holders of fully-signed agricultural diplomas, who wish to compete at the examination for admission to the Provincial Subordinate Executive and Opium Services, may submit their names through the Principal to Government for nominations. These applications for nominations will be considered, provided the applicants appear to His Honour the Lieutenant-Governor to be otherwise suitable for admission to these services.

ENTRANCE AND TUITION FEES.

Each student in the Higher Agricultural Department will be required to pay an admission fee of Rs. 10.

F.E.'s who elect to join the Agricultural Department, immediately after passing the F.E. examination, are exempted from the payment of this fee, as their name are already borne on the College books.

For the present no tuition fees will be charged to students in the Agricultural Department, except in the case of those joining as special students under rule 3 (iii). The tuition fees for these students will be Rs. 8 a month.

Further particulars may be obtained free on application to the Principal.

SIBPUR,

B. HEATON,

The 8th June 1904.

Offg. Principal, Civil Engineering College.

BIHAR SCHOOL OF ENGINEERING.

Prospectus for Admission.

THIS School is under the management of the Principal of the Patna College, assisted by a Board of Visitors. It owes its origin to a fund raised by residents of Bihar to commemorate the visit to India of His Royal Highness the Prince of Wales. The object of the fund was the promotion of technical instruction in Bihar. The School was formally opened on the 11th July 1896 by His Honour the Lieutenant-Governor of Bengal.

2. The number of students admitted to the first-year class of each year will be limited to 60, of whom only 15 can be other than Biharis by race (viz., natives of the North-Western Provinces, Central Provinces or Bengalis domiciled in Bihar); but should the number of suitable applicants who are Biharis by race be insufficient to fill up the 45 vacancies, then the vacancies thus occurring can be given to those applicants who are natives of the North-Western Provinces, Central Provinces, or non-domiciled Bengalis in that order.

As far as accommodation is available, students who have passed the final B class examination will be admitted to the second-year class, provided they are not over 21 years of age, preference, again, being given to Biharis and domiciled Bengalis.

3. The School as at present constituted is chiefly engaged in training students for appointment as Sub-Overseers and Overseers.

The curriculum includes—

- (1) A sound study of Elementary Mathematics.
- (2) Careful training in Survey work.
- (3) Drawing, both Free-hand and Engineering.
- (4) Elements of road-making and the construction of simple buildings.
- (5) Workshop practice, with hand tools and with machinery.

Students are prepared for the Overseer certificate of the Public Works Department. The necessary additional buildings have now been completed; and Government has agreed to reserve one appointment annually for a qualified student from this School, who must be a Bihari by race.

4. The next Session will commence on 4th July 1904.

5. In the Overseer Department, which corresponds to the Apprentice Department of the Sibpur College, the monthly fee is Re. 1-8, except for non-domiciled Bengalis, who shall pay Rs. 3. All scholarship-holders, however, receive free tuition. Government scholarships of the value of Rs. 7 a month, tenable for one year, are awarded each year on the results of the annual examinations, eight being tenable in the second-year class, six in the third-year class, and six in the fourth-year class. Of the scholarships attached to the School, 75 per cent. of them are to be reserved for those students who are Biharis by race. The teaching is in English.

6. Candidates for admission to the Overseer Department must be under 20 years of age, must be Biharis by race or domicile, or natives of the North-Western Provinces or Central Provinces, and must have passed one of the tests mentioned below:—

- (1) The Entrance examination of an Indian University in English and Mathematics.
- (2) Standard VII of the Code of European Schools.
- (3) Students who have not passed either of these tests, and who are otherwise eligible, will have to pass an examination in English and Mathematics (of about the same standard as the Entrance examination of the Calcutta University in these subjects) to be held by the Principal of the Patna College on the 11th and 12th July respectively (from 6 A.M. to 9 A.M. each day).

7. Candidates for admission must apply to the Principal not later than the 30th June. Their application must give the following particulars:—

- (a) Name, address, and occupation of father or guardian.
- (b) Race and religion, and evidence to show that he is either a Bihari or a native of the North-Western Provinces or Central Provinces or a domiciled Bengali.
- (c) A certificate of good moral character.
- (d) An attested certificate of age (showing that he is under 20 years of age).
- (e) A medical certificate showing him to be fit for employment in the public service.

(f) A certificate of having passed either of the first two of the three tests mentioned above, failing which the application will be kept pending till a certificate showing that the candidate has passed the third test is given to the Principal.

8. There is also an Amin class, admission to which may be obtained by students who do not know English. In the Amin class the course of study is for one year, and the monthly fee is Re. 1. An Amin student is taught Elementary Surveying with a corresponding amount of Mathematics and of Geometrical Drawing. He will not be admitted to the Workshop. A student in the first-year class of the Overseer Department who fails to pass the examination for promotion to the second-year class, but who has shown an adequate knowledge of Elementary Surveying and the other subjects taught in the Amin class may, at his option, leave the School with an Amin certificate.

Candidates for Amin class who have not passed the Middle English or middle Vernacular examination will be examined at the School on the 6th July; candidates failing at this examination will not be admitted.

9. Except in very special cases, a student will not be admitted to the Amin class for the Session that commences from 4th July 1904, unless application for admission is made before 30th June 1904.

10. Every candidate for admission to the School must bring a certificate of good character from the Head of the institution from which he has come.

11. All candidates for admission to the School should present themselves personally at the School on the 4th July.
